SCHOOL ADVISORY COUNCILS

A School Advisory Council (SAC) is a peer-elected, collaborative team that works to improve student achievement, effective teaching in the classroom, and parent and community engagement in the educational process.

SCHOOL ADVISORY COUNCILS HAVE THREE MAIN GOALS:

- Support Student Achievement
- Improve School Climate
- Strengthen Family Engagement

WHO IS ON THE SAC?

The SAC must include a simple majority of family members, along with the school principal, school staff, students or parents with grades 7-12, and community members. The breakdown of seats should be as follows:

ELEMENTARY SCHOOLS (5-7th graders)	MIDDLE/JR HS SCHOOLS (5-7th graders)
--	--

WHAT DO MEMBERS DO?

Meet every 4 weeks or at least every other month.

Participate in Strategic Conversations for doing and addressing school data.

Focus on Improving Academic Achievement, Improving School Climate, and Strengthening Family Engagement.

Build consensus with your fellow SAC members.

WHAT'S THE DIFFERENCE BETWEEN A SAC AND A HOME AND SCHOOL, FRIENDS OF, OR OTHER SCHOOL COMMUNITY GROUP?

SACs have certain criteria they must fulfill:

1. SACs must include all stakeholders in the process (the school principal, parents, family members, school staff, community members, and students for middle and high school only).
2. SAC meetings must be focused around strategic conversations instead of fundraising or event planning. Strategic conversations require exploring school data and brainstorming solutions to issues affecting the school. A SAC is an opportunity for parents/family members, faculty, staff, students, community members, and the school principal to collaborate, address issues, and develop strategies for strengthening the school and students' achievement.
3. Members of the SAC can be members of other school community groups like an ISA or Friends Of. This is a wonderful opportunity for stakeholders to build bridges among multiple groups.
